

Dear Pharaoh,

You have found favor with me because you are a man who listens to his dreams. This is essential if you are going to keep track of what's happening and to know how to live your life successfully.

Since you are responsible for a lot of people in your kingdom, you need to pay close attention to the next dream you experience – it has far reaching importance for all of Egypt.

In fact, when you understand this dream (and another one I have planned for you – stay on the alert), it will rock your entire world. Here's how it goes:

*Pharaoh stood by the river. Suddenly out of the river came seven fine looking fat cows. Then seven ugly and gaunt cows came out of the river and ate up the seven fine looking fat cows. (taken from Gen. 41:1-4)*

Respectfully,

Yahweh

God of Joseph and the Israelis
